

DLD DIALOGUES

CONNECTING BUSINESS, CREATIVE & SOCIAL LEADERS
OPINION-FORMERS & INVESTORS
WITHIN THE DIGITAL DESIGN WORLD

NEWSWIRE.FM

SEPTEMBER 2012, NEWSWIRE.FM produced in partnership with Hubert Burda Media the DLD Dialogues at DLD2012 Conference in Munich, Germany, featuring the trailblazers of the digital design world and highlighting its growing relevance today. Hosted by Matthew Bishop (The Economist), DLD Dialogues features 20 leaders, including Dropbox founder & CEO Drew Houston, XPRIZE founder Peter Diamandis, tech investor Martin Varsavsky, VKontakte founder Pavel Durov and Wonga founder Errol Damelin.

Created by the Martine Dubin Company with original music by Dennis White, DLD Dialogues connects business, creative and social leaders, opinion-formers and investors within the digital design world for cross-over conversation on the current trends & markets.

I am honored to share these shows with our viewers today. It shows how their passion and creativity have come such a long way - a true inspiration for any age group & demographic. I am glad that I am a part of it **Martine Dubin**

DLD Dialogues guests share their views on the role of creativity and taking risks for passion and business. These business leaders are driven to make a difference and adding new solutions to our world today. It's a privilege to sit down with them and get a personal insight view **Matthew Bishop**
